

CLASS DESCRIPTIONS

Pre-school Dance: Ages 3 and 4. A ballet based class with focus on locomotor skills and creative movement. Children will develop coordination, musical awareness and listening skills.

Children's Dance : Ages 5 and 6. An extension of our preschool class with a faster tempo and more concentration on technique, rhythm and timing.

Ballet/Jazz: Ages 7-9. A continued study of ballet, while introducing the styles of jazz.

Ballet: The core of all dance disciplines. Students will learn ballet technique and terminology, as well as develop strength and flexibility.

Jazz: Students will learn traditional jazz techniques with the use of isolations and progressions.

Tap: Ages 5 to adult. A percussive dance form with the focus on rhythm and timing.

Funk: Ages 8 and up. Movement in this class is based on the current trends in the dance industry.

Modern: Ages 12 & up. Integrating ballet and jazz, this class focuses on developing strong rhythmic connections, isolations and spacial awareness.

Special Needs: An imaginative and fun class encompassing various styles of dance for our students with special needs.

Tumbling: Ages 5 & up. Basic floor tumbling with the goal of increased flexibility, strength, and proper body control.
