OUR MISSION

The Dance Connection prides itself on operating a family-oriented studio. Our goal is to create a fun and exciting atmosphere where all students can enjoy learning the art of dance. Whatever your personal taste or style, The Dance Connection has classes for every age, interest and level of skill.

WHAT'S NEW AT THE DANCE CONNECTION?

Because of large class sizes in our upper levels, we have added a new level of ballet this year. Level V Ballet. Students will be placed in level V by teacher recommendation. This will allow for more personal space at the barre and also more individual attention to technique by Ms. Roberta. We want our dancers to be the best they can be.
